# Galiano Show Big Success

## Special to the Review

**GALIANO ISLAND, Aug. 15.**—The exhibition, which was held at Galiano Hall on Wednesday, August 8th, was opened by Alex. McDonald, local M.L.A. Before introducing Mr. McDonald the chairman of the committee, A. Cayzer, thanked the secretary, Capt. C. P. Norton, and the committee for their whole-hearted co-operation.

Mr. McDonald, after welcoming the large gathering of visitors, mentioned that Galiano was leading the province by holding the first fall fair of the year. Knowing from past experience that the public disliked a "windy speaker" he promised not to detain them long.

Mr. McDonald complimented the secretary and the committee in general, on the excellent display, and on the decorating, which was done by G. Goodwin. The speaker remarked on the advance made by the association this year in spite of the depression and of receiving no government grant, and stated that there were more than 700 entries and over 100 exhibitors. He praised the exhibitors on the quality of their exhibits, which made the judging very difficult.

Mr. McDonald touched on the subject of marketing, stating that throughout the province excellent crops were anticipated and that the present legislature is trying hard to solve the problem of finding a ready market.

He then declared the exhibition officially opened and one and all joined in singing the National Anthem, which was played by the orchestra.

The dance held in the evening was beyond all expectations of the committee in regard to attendance. Mr. Hague's orchestra from Ganges was so "snappy" that one and all felt they must dance in spite of the crowded floor. During the evening Capt. Norton, secretary and treasurer of the show, who acted as master of ceremonies, thanked everyone for their support and distributed the special prizes to the winners, who were loudly applauded. Mrs. Lord and Mrs. Norton were hostesses for supper.

## BIG DANCE ON FRIDAY

The "Chisellers' Dance," scheduled for this Friday, Aug. 17th, promises much in the way of novel features and with a variety of new events the dance will no doubt go over big.

The committee in charge is sparing no effort to make this dance one long to be remembered. They have arranged for Len Acre's orchestra to supply the music and the Buck Bush Rangers the intermission numbers and also a great variety of novelties and noisemakers, which guarantees fun for all.

Special transportation arrangements are being made leaving the Vancouver Island Coach Lines Depot in Victoria at 8:30 and returning after the dance, so there will doubtless be a large crowd on hand to enjoy the event.

Just as we are about to go to press we are informed that Art. Manson is to be master of ceremonies for the above event.

## GRADUATION EXERCISES AT REST HAVEN

In the Rest Haven lounge last Monday evening a picture impressive of beauty and grace was seen by a number of friends and visitors, the occasion being the presentation of diplomas to five graduates of the institution's training school for nurses by Dr. Harold G. Burden, medical superintendent. Flowers of varied hue were banked around the tastefully decorated rostrum in the form of bouquets presented by many friends of the graduates.

At the back of the platform greeting the eye of the visitor was the motto of the class in letters of gold on a background of black: "Into the Furrow of the World's Great Need."

The class was addressed by Pastor J. W. McNeil, a native son of Nova Scotia, who before taking over his present charge in Washington, D.C., spent seven years of missionary service in South Africa. In his message he stressed the value of character formed by a consecration calling for a giving of the life totally, absolutely, unconditionally and irrevocably to the Master-Physician. He emphasized the thought that genuine service in a suffering world cannot be measured in dollars and cents. In the furrow of the world's great need are heartaches and tears of the suffering and sick touching the heart of the nurse who knows and follows in service Him who went about doing good—a consecrated service rendered through love for His sake.

Appropriate remarks were made by Dr. Burden in presenting diplomas to the following graduates: Misses Astrid Molino, Kathleen Brooks, Ellen McCartney, Mabel Olson, Eva Sutherland. The pinning of badges was undertaken by Mrs. C. F. Courser, R.N., superintendent of nurses. There was on view in the recreation room a large number of gifts—tributes of appreciation to the graduates from former patients and friends.

The program was as follows:

Processional march—Miss P. Worman.  
Vocal solo—Mrs. C. C. Kemsley.  
Invocation—H. G. Burden, M.B.  
Quartet—Miss P. Worman, Miss R. Stickle, Mr. E. Wareham, Mr. A. K. Elvedahl.  
Address—Pastor J. W. McNeil.  
Vocal solo—Mrs. C. C. Kemsley.  
Presentation of diplomas and pins—H. G. Burden, M.B., and Mrs. C. F. Courser, R.N.  
Benediction—H. A. Shepard.

## Flour Sacks and Undies Converted to Milady's Wear

### By Review Representative

**GALIANO, Aug. 15.**—Flour sacks dyed were a feature at the Galiano Show! Two pretty dresses were worn at the dance, one in graceful style, lemon-colored with long skirt and tight bodice, the other mauve and white, girlish style, made a pretty evening dress for the fair maker and wearer. Another lady's suit (made from hubby's discarded "undies") speaks well of the ability of the maker to convert old clothes into a thing of beauty and usefulness.

## LABOR DAY PROGRAM IS ANNOUNCED

On Labor Day, September 3rd, a big program of sports is being arranged to take place at the Memorial Park, Sidney, under the auspices of the Sidney Athletic Club, the object being to augment the funds of the Sidney baseball nine, considerably below sea-level at the present writing owing to the purchasing of necessary uniforms and playing equipment.

Incorporated in the day's sports will be the play-off for the Macintosh Cup for the Islands League Softball championship between the two top teams in the league; a baseball game between Sidney and a Victoria team; a softball game between the Colored Cubs and the local girls, comprising players from the North Saanich girls' team and the Sidney Bluebirds, Mr. Lines making arrangements for this affair; sack race; 100 yards for baseball players; relay race, half mile, four men to a team.

On the grounds the usual refreshments may be procured, including hot dogs, coffee, tea, sandwiches, etc., while the necessary ice cream, soft drinks, confectionery, etc., will be adjacent to cater to the needs of the crowd, not to overlook the cocoanut sky, house-house, and such like things.

To top off the big day a dance will take place in the evening at Stacey's Hall.

Plan to spend Labor Day in Sidney and you'll not be disappointed.

## A signal for celebration

When a telephone was installed in the Cakefields' home today, it was a signal for celebration. Mother, Dad, Mary and John all greeted the return of the familiar instrument with happy smiles.

Once again they can enjoy the friendly chats over the wires, the convenience of shopping by telephone and of using it for making social or business appointments. And they know that in case of burglary, fire, accident or sudden illness, a telephone call may be the means of saving of life or property.

### JUNK OR GARBAGE

Sir:—A question that has been with us for years, meanwhile, every by-road and beach in the district has its tin cans, etc., as a reminder to us all that it is necessary to have some central dump, and as I understand it is not against the law to dump cans and junk on the beach (not garbage) may I offer a suggestion that at the end of Bazan Avenue there is deep water. A cement wall, or failing the cash, a rock wall on both sides of the road, to keep it tidy. This work, together with opening up this road, would create useful relief work. The public could be notified to burn the garbage, and only non-decaying junk to be put into this one central place.
